

HR REVIEW

NEWS & INFORMATION FROM THE HUMAN RESOURCES DEPARTMENT

Volume 1, Issue 1

September 12, 1994

FROM THE DIRECTOR - Jane Buser

With pleasure we offer you the first issue of the Human Resources Department newsletter—HR REVIEW. As the community of employees at Boise State continues to grow, so do the issues that concern its members. Key issues, policy changes, and announcements that affect you and your work will be presented in an effort to assist you in taking full advantage of the University environment. Some of the topics which will be covered include new employees and their departments, promotions and transfers, compensation and benefit issues, vacant position announcements and important dates to remember.

We are coordinating our efforts with the Affirmative Action Office, Payroll, and the Training and Development Office to insure that you have the most current information available.

Initially the HR REVIEW will be printed bi-weekly and available on the Monday following a pay day. We welcome your ideas for upcoming issues. Please give me a call at 1739 with your suggestions.

BENEFIT NOTES

OPEN ENROLLMENT: Each year employees who are participating in the Public Employees Retirement System (PERSI) are eligible to enroll in the NCPERS (National Conference on Public Employee Retirement Systems) term life insurance program during the open enrollment period. These employees include classified, temporary employees on benefits and faculty and professional staff hired before July 1, 1990 who elected to stay with PERSI. The open enrollment period is from September 1 to November 30, 1994. Brochures will be mailed out this week with further details. Employees participating in either TIAA/CREF or VALIC should contact Sharon Yates at 3265 for information on ORP life insurance.

EMPLOYEE ASSISTANCE PROGRAM - EAP -

Effective July 1, 1994, the State of Idaho contracted with a new Employee Assistance Program provider, Interpersonal Dynamics, Inc. The new program contract will provide 12 visits per fiscal year (July 1, 1994 through June 30, 1995). Flyers and brochures were sent approximately one month ago to all employees on benefits. Orientation sessions are scheduled this fall to furnish additional information. The purpose of the EAP is to help you and your family receive assistance with problems as early as possible so that difficulties can be kept to a minimum.
